Dear Mr. Dulles:

We regret very much that your schedule does not permit you to be with us at our Milwaukee luncheon on January 27 in the interest of the Crusade for Freedom program.

However, your letter assuring your continuing interest and that of other high level people in Washington in this program is encouraging.

We are trying to organize a luncheon group which will make possible getting the desired results. Your letter will be very helpful.

Sincerely,

W. A. Roberts.
